## The service

AllSort is a cost-effective, hassle-free mailing solution for organisations sending unsorted, non-machineable mail.

Whether it's handwritten, an oversized letter, packet or parcel you can save time, money and hassle by sending your national, international and BFPO mail with AllSort.

We collect your mail at a time to suit you then sort and deliver it within the specified timeframe.

- National 3 day service for unsorted letters and large letters
- National 3-7 day service for unsorted packets and parcels
- International and BFPO 4-8 day service

## Who it suits

If you send over 250 pieces of less time-sensitive, non-machineable mail either within the UK, overseas or to the Armed Forces, AllSort is ideal.

It's perfect for businesses that don't meet our Premier (pre-sorted machineable mail) and PremierSort (unsorted machineable mail) criteria. It is a reliable solution saving you time, money and hassle.

## How you benefit

No franking, no sorting, no hassle – you'll cut all the costs associated with franking and save time and effort.

- Guaranteed cost savings
- One pick-up for all mail items
- Elimination of additional costs associated with franking e.g. maintenance and service upgrades
- Easy-to-use
- No franking or stamping
- Improved productivity in your mailroom
- Convenient collection times to suit you
