A**Address Zone**

Ensure your item is oriented to portrait. Place the blue box over the top left corner of the mail piece. Check that the address details fit entirely within the address zone.

B**Indicia Zone**

Place the green box over the top right corner of the mail piece. Ensure that the TNT Post indicia fits within the relevant zone:

- If you are printing your indicia and return address please ensure your indicia is within the indicia zone (WxD: 70x30mm with a 5mm clear zone).
- If TNT Post is printing your indicia and return address please ensure the greyed area is kept clear (WxD: 115x55mm).
